

**We will be starting a new three-year grant cycle, which will be available in the spring of 2009 for services in the 2009-10, 20010-11 and 2011-12 school years.**

**Grants are competitive and are geared to the neediest populations in the state. Information will be available in March 2009 for a required submission on May 1, 2009. For more information call Terry Teichrow at (406) 444-2036.**
